Part 2

You are going to hear a conversation between two people at a travel agency. Choose the best answer to complete each sentence a, b or c.

A: Can I help you sir?

B: Yes, please. I'd like to book a holiday abroad somewhere...somewhere warm. I'm really busy in March and April, but I've got two weeks off work in May.

A: Anywhere special? Hawaii is nice then. And Fiji is becoming very popular.

B: I was thinking of somewhere in Northern Europe. Somewhere like Iceland.

A: Iceland? OK. I suppose you can toast marshmallows in one of the volcanoes.

B: Ooh! That sounds hot enough. But, wait a second! I'm allergic to marshmallows.

A: Allergic?

B: Yes, I only need to look at a packet in the shop and I start to sneeze. I'm just joking. And anyway, I've been there already.

A: Okey-dokey. Well, what about a cruise?

B: No, that's impossible. Mission Impossible! Do you get it? Cruise. Tom Cruise.

A: Oh, that's brilliant! Well, if you like movies, what about the city of Cannes in the South of France for the famous film festival?

B: Can do! Do you get it? Can...Cannes!

A: So France it is! What day would you like to leave?

B: If possible, the evening of the 3rd or the morning of the 5th.

A: Let me check to see if there's a flight. Sorry, there's nothing on either of those days, but there's an early flight on May the 4th.

B: May the 4th be with you!

A: Pardon?

B: Get it? Get it? May the force be with you. From Star Wars.

A: While we're on that topic, what kind of hotel would you like? Five stars, four stars, or something a bit cheaper?

B: I don't care, as long as I can see the movie stars. Emma Stone, Jackie Chan, Ken Watanabe...

A: OK. Well, let's book you into the best hotel in town – the Hotel Le Majestic. You'll have the grande suite on the 22nd floor.

B: Sounds fantastic! Does it have a Jacuzzi?

A: No, but it has a home theater system, a minibar, and a view of the famous cinema where the movie

festival will be held.

B: How long does it take to get to the festival from the hotel? Five minutes?

A: No, it's ten minutes by taxi or twenty minutes on foot.

B: Not too far then. Book me in. By the way, how much is this little adventure going to cost me?

A: Let me see. Including flights, the total cost is seven...

B: Hundred?

A: No, of course not. Seven...

B: Thousand?

A: No, seven million euros.

B: How much? I can't afford that! I'm sure Hawaii would be much easier on my wallet. Talking of wallets, I seem to have left mine at home. Don't worry. As the Terminator says, "I'll be back."

A: I really hope not.

Part 3

Listen to a man's emergency messages and complete the sentences with the missing information.

Write one word in each space.

Dexter: Mayday! Mayday! This is captain Dexter Terrance Hawkins aboard the Foxy Lady taking part in the DTH Insurance Round the World Yacht Race. I'm in terrible danger. My yacht has hit something, maybe a rock, a piece of wood or even a whale. Water's coming through a 50 centimetre hole on the right side and I'm sinking fast. Help! I don't have much time left. I'm not sure exactly where I am because my GPS isn't working. I think I'm 40 miles west of Longrock Lighthouse. Please rescue me! Mayday! Mayday! I tried blocking the hole with a towel and then a pillow. After that I even tried a bucket, but nothing worked. The water is now above my waist and I'm almost out of food. I only have half a packet of nuts and a two-day-old cheese and onion sandwich left. I'm running out of time. Mayday! Mayday! Mayday! It's getting dark and the water's up to my neck. This is my last message. Please tell my wife that I love her and tell the kids that daddy's never coming home and there'll be no more bedtime stories.

Wife: Dexter! Will you stop playing with your toys in the bath? The kids are trying to watch a cartoon on TV and all they can hear is you!

Dexter: Don't worry rubber ducky. I'll finish the story tomorrow.
